

Teen Mom Kailyn Lowry reveals ‘twenty FLYING SQUIRRELS’ have infested her home and she’s ‘losing sleep’ over crisis

United Kingdom | February 19, 2021

Kailyn, 28, spoke about the incident on her most recent Coffee Convos podcast episode with friend Lindsay Chrisley.

The MTV star revealed that "twenty flying squirrels" have taken residence in her attic, and she is at a loss for how to get rid of them.

She ranted: "There is twenty, TWENTY, flying squirrels in my attic. Listen to me. Listen to me. There's TWENTY flying squirrels in my attic. I cannot make this s**t up and I don't understand."

Kailyn then referenced her previous rodent issues, adding: "The people that removed the bats, I think I have to sue them. He put bait to lure them in, in my attic."
